God's Word is a lamp to guide our feet and a light for our path.

Inspired by Psalm 119:105

Year 6 Leavers

Our Year 6 leavers had a wonderful time on Wednesday on their trip to Stubbers Outdoor Adventure Centre.

The children and staff all enjoyed taking part in the range of activities, working together as a team, enjoying time together as they approach the end of their time at St Margaret's. It has been such a strange year, with so much disruption, but our Year 6's have modelled our Christian Values and been absolutely amazing! They are super stars and we are so proud of them all. Here are some photos of their trip to Stubbers. Thank you also, to the Year 6 parents for organising such a memorable day for all involved!

We also say goodbye and good luck to Miss Fairhead at the end of this term as she moves on to her next adventure. Miss Fairhead has played such a huge role here at St Margaret's and it will be so strange to not have her here with us everyday! We all wish her the best of luck in her new role and hope that she will come back to visit us to let us know how she is getting on! I am sure she will! She has written you all a special message below....

A Message from Miss Fairhead

As you can imagine, it has been very hard to put into words how it feels to write my last newsletter or message to you all, so I will keep it short and sweet!

Firstly, I want to say thank you to you; the parents. Thank you for all that you do for the children. Thank you for being so supportive, especially during this past year. Your kind words and messages mean a lot and you help to make this school the family that we are.

Secondly, thank you to all the staff across the school. You are truly the best teachers, support staff, office ladies, cooks and cleaners that I know. Your determination to provide the best for the children of St Margaret's is outstanding and I am truly proud to say I have worked with you all. Thank you for all the support and kindness you have shown me over the past 12 years. I can say I have made true friends, not just colleagues.

Most importantly, I want to say a massive thank you to all the children, past and present, who have made my time at St Margaret's amazing. It is truly the best school and you have all made me the teacher that I am today. I shall look back over these years with lots of very happy memories. Keep showing all of our Christian Values and being the best you can be!

As I move into the Trust, I know this school will continue to grow in strength, with Miss Finch, Mrs Leonard and all the staff. I wish you all lots of success, love and happiness. I am sure I will see you all again one day!

As this will be the last newsletter of the year, I would also like to take this opportunity to thank all of our wonderful staff, children and families for all of your hard work and support. It has been an incredibly tough year and a half and you have all pulled together to get through it as a team. I feel truly blessed to have the opportunity to lead this wonderful St Margaret's family. We are hopeful that as we move in to Step 4 of the road map that we can get back to 'normal' in September and enjoy being together again with fewer restrictions. I will write to you again next week to tell you all about what school will look like in September once all of the plans have been finalised.

 Thank
You

A reminder that the last day of term will be on Tuesday 20th July and our first day back will be Thursday 2nd September for Years 1 to 6.

Have a wonderful weekend everyone!

We will see you all next week for the last 2 days!

Miss S. Finch

Executive Head teacher
