

Friday 8th October 2021

*God's Word is a lamp to guide our feet and a light for our path.  
Inspired by Psalm 119:105*

Dear Parents / Carers,

It's been another busy week here at St Margaret's as we approach half term—here is a little snapshot of our week! From Science investigations about movement on different surfaces to Christmas art, we have been kept very busy with lots of learning opportunities!

### Christian Values

The children and parents who have been with us for some time will know all about our Christian Values—six values which we hold very dear as a school and help guide us in all of our learning and choices in school. These values are Love, Friendship, Wisdom, Perseverance, Respect and Courage. This week, we relaunched our Values in Worship for our newer pupils and reminded children of the special characters and their names and how they can show these values in our school. It even inspired some artwork completed at home—well done Poppy! We will be relaunching our Christian Values Stars so, every day in class, the children can nominate a friend who they can see has shown a Christian Value that day. We are excited to see who will be our first Christian Value stars in each class!

### Clubs

Music has always been such an important part of our community here at St Margaret's and so we are pleased to announce that Mrs Bailey will be starting a Music club after half term! The club will run on a Thursday and is open to Years Four, Five and Six. It will combine singing with learning and exploring musical instruments and I know the children and staff are all excited to hear their efforts! Anyone who is interested in joining should return their slip as soon as possible so places can be allocated as these are limited. Art club have also been working exceptionally hard—and it has only been running for two weeks! With the support of Mrs Wall and Miss Barnard, the children have created a wonderful display which is taking pride of place in the school corridor near our Community Room. This display show such creativity and reflects the important celebration of the Harvest. Well done Art Club!

### Christmas Cards

Whilst it seems very early to be discussing Christmas, the children in St Margaret's have been busily working away in order to prepare a Christmas surprise for you all! Each class have completed some art work linked to Christmas and a copy was sent home with the children yesterday alongside an order form. Parents are invited to order their child's print on cards, mugs and a range of other merchandise which will make a wonderful keepsake for the festive period or a lovely gift for someone special. If you would like to order your child's print, all orders need to be in school by Monday 11th October and given to your child's class teacher.

### Photos

A reminder to all parents that individual photos are taking place for all children on Tuesday 12th October 2021 in school and all children will need to be dressed in full school uniform.

### Pupil Parliament

A reminder that any Pupil Parliament applications are due in on Wednesday 13th October in the form of a letter to Mrs Henshaw. Our new ministers will be announced in Star of the Week worship on Friday!

This half term is rapidly disappearing as we head towards our final week before two weeks holiday. We cannot wait to see all the incredible learning which is due to take place next week!

Wishing everyone a happy, safe and healthy weekend,

Mrs Leonard

Miss Finch

Head of School

Executive Head Teacher
