Friday 14th January 2022

*God's Word is a lamp to guide our feet and a light for our path.*

*Inspired by Psalm 119:105*

Dear Parents / Carers,

Week Two of the Spring Term of St Margaret's has been packed full of some wonderful learning! Year One have worked hard in Guided Reading on rehearsing and performing a poem together (with hand actions!). The video of them performing has greatly impressed all of the teachers! Year Two have been making some wonderful food chains in science and Year Three have been proudly displaying their art work exploring the importance of the Holy Trinity. Reception have also shown they are superstars by blending and sorting real and fake words. Well done St Margaret's—a wonderful variety of learning taking place!

### Changes in Covid 19 procedures

Government guidance on Covid-19 Isolation is changing again. From, Monday 17 January 2022, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to school immediately on day 6. The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace. If the result of either of the tests is positive, they should continue to self-isolate until they get negative results from two lateral flow tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest. Anyone who is unable to take lateral flow tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

### Parking

We would like to remind all parents and visitors to please park safely in our school car park. The spaces around the turning circle are for visitors and parents but the spaces in the main car park next to the building are reserved for staff only, as displayed on the signage. There are no designated spaces on the driveway by the fence into the school or on the turning circle itself so there should be no parking there. This is to ensure the turning circle operates safely for everyone, especially the children. If parking becomes hazardous, we will be forced to shut the school gates during drop off and pick up times which would be very inconvenient to many families who are parking responsibly. We have also, unfortunately, had some complaints from nearby residents informing us that some families are dropping their litter outside their cars in the nearby roads. We ask that everyone please respect our local community and take their rubbish home with them. Thank you for your support in this matter.

### Star of the Week!

Well done to our Stars of the Week this week— what wonderful role models you all are. Keep reaching to be the best that you can be!

Reception— Tommy M

Year One— George

Year Two— Poppy

Year Three— Dotun

Year Four— Freddy

Year Five— Nicole

Year Six— Abigail

### Attendance

Our winning class this week is...

Year Three—95.08%

Well done Year Three!

School Money Payments

Please ensure all School Dinners/Breakfast Club is paid in advance via School Money as the funds need to be passed on to our suppliers. Thank you.

Next week, we have more learning to look forward to and club acceptance/waiting list slips will be returned to the children.

Wishing everyone a happy and healthy weekend,

Take care,

Mrs Leonard

Miss Finch
