*God's Word is a lamp to guide our feet and a light for our path.
Inspired by Psalm 119:105*

Dear Parents / Carers,

As we edge closer to the Easter Term, St Margaret's have been busy as always squeezing in so much learning! Singing Club performed to the entire school this afternoon a collection of songs they have been learning—and what a treat it was for us all! They had the whole school singing along and helped everyone's spirits soar on a sunny Friday afternoon. Reception enjoyed making beautiful Palm Sunday leaves and were so proud of their creations! Year Four have been creating some wonderful 'Under The Sea' artwork in preparation for their trip to the London Aquarium next week and have really developed some beautiful shading techniques! Art work has clearly been a theme this week as Year Two explored some wonderful Andy Warhol inspired self portraits - we have had a brilliant time guessing who is who! It was such a treat to welcome so many parents into St Margaret's for face to face consultations and to share all of your child's successes with you and for you to see their work and the place they spend so much of their time! We look forward to many more events in the summer term welcoming our St Margaret's community back into the school building.

Water Bottles and Parking

As the weather is getting warmer, please could you ensure your child brings in a labelled water bottle every day so they can be properly hydrated in the Spring and Summer months. We have also sadly received some complaints from a resident about parents parking on the grass near Ilfracombe Avenue which has resulted in churning up the grass and causing general obstruction to the residents. In the interest of showing consideration to our local community, we would ask all parents to drive and park considerately in the nearby vicinity.

Thank you

Well done Reception!

Farewell Miss Stock!

Today, Miss Stock, our fantastic Year two teacher, leaves us to go on Maternity Leave. Miss Stock has been a highly valued and much loved member of the St Margaret's family for almost five years who always brings a smile to the faces of all children and adults. She has taught many Key Stage One classes throughout the years and therefore is known and loved by many children throughout the school. Whilst we will miss her enormously, we are all so excited as she embarks on her biggest adventure yet—becoming a Mummy! We also cannot wait to meet her little one and share some exciting news with you all in the weeks (or days!) to come.

Good luck Miss Stock— we are so excited for you and will miss you greatly!

As we say goodbye to Miss Stock, we excitedly welcome back Mrs Lazaro after Easter from her maternity leave . Mrs Lazaro has worked at our school for many years and will be working primarily in Year Three upon her return. We eagerly await her return and cannot wait to welcome her back.

We wish everyone a wonderful weekend and cannot wait to see what the final week of our Spring Term has in store.
